Ticor Employee of the Month

For over 17 years **Daniel Evans** has been dedicated to making Ticor Title his work home. Daniel got his start with the company when it was still American Title back in 2002, and was hired by our Operations Manager, Heather Shepherd. He has been a key component of our Payoff Department ever since, and importantly: *he clearly and proudly sports the best mustache in the company.*

When Daniel isn't here at the office you will probably find him spending time in the great outdoors. He is an avid cycling enthusiast and he rides both a road bike and a mountain bike. For several years he was involved in mountain bike racing and he has continued to enjoy the sport to this day. Road biking, in his words, is 'a hobby and something I do just for fun.' Beach camping at places like Carpinteria State Beach are also high on his list of pastime interests.

Before Daniel got his start in the Title business, he worked at Empire Lakes Golf Course and was interested in becoming a golf pro ... but, as he puts it, "I didn't quite have the Dan Walker in me!" He is a current Men's Member at Eagle Glen Golf Club and enjoys the course on the regular.

When it comes to sports, you'll find Daniel supporting Angel's baseball and King's hockey ... and when it comes to food he

Fathers Day

Don't forget ... Father's Day is coming up on June 16th!

End of the Month

We will be serving lunch on the last day of the month ... input is welcome ;)

June Quote of the Month

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime." **-Babe Ruth**

Congratulations!

Thank you all for your hard work! **May was our best revenue month of the year so far.** We truly appreciate all of your diligence and dedication. Congratulations for a job well done and thanks to the Sales Team for keeping the pipeline full!

swears that there is no better spot for Mexican Food anywhere in Southern California than *Manuel's El Tepeyac* in Boyle Heights. Judging by a quick Google search of the restaurant, I don't think we can disagree (try it).

If there was one place that he would want to live besides here in Southern California, he said it would be without question: Manhattan, NYC. "The energy there is super exciting and it just seems like an amazing place." His favorite bands are the Foo Fighters and The White Buffalo (also one of Rick's all-time top 5 ... he suggests you give The Buffalo a listen ...)

Daniel was born and raised in Covina and Pomona, but spent most of his childhood and formative years in Rancho Cucamonga. He attended Alta Loma High School. He is currently happy to call Anaheim Hills his home, and plans to enjoy that town for the foreseeable future.

We all want to thank and congratulate Daniel Evans for being named Ticor's Employee of the Month! We appreciate the dedication and hard work you have invested into the company and the Ticor OC team over the past 17 years! You are appreciated, and thank you.

- From Rick Bashore: "Daniel is the back bone of our title and escrow units and is so very important to us. The best thing about our payoff department and Daniel is that no news is good news ... right?! When a payoff goes bad it can be a disaster for us and our clients. Our team does an amazing job of staying out of the headlines."
