Ticor Employee of the Month

Every month we'd like to share a little more about our Ticor Team. You know, the people that we work with on a daily basis that we might not know that much about... Here's a little bit more about our January Employee of the Month, **Allyssa Pedroza**...

Allyssa was born and raised in Anaheim and she has called Orange County home for most of her life. She's been married for three years, and she and her husband, Andre, love traveling, craft beer, and their family. She has three sisters and a niece and happily enough they are all located here in OC (Anaheim and Seal Beach) making it easy for them all to spend lots of time together.

When Allyssa isn't here working hard at the Ticor OC office, you might find her enjoying her favorite type of craft beer, Hefeweizen, (*no IPA's, thank you!*) at Legends in Anaheim with her husband. She and Andre took their last major vacation to Ireland (a country she has visited twice and looks forward to going back to) and she explains that she loves the country because of how warm, friendly, welcoming and helpful the people were during their time there.

She explains, "*We didn't use our itinerary at all because we got one great suggestion after the next from all of the locals. We loved it!*" They are working on a planning a trip to Germany some time in the next couple of years.

Allyssa is also an athlete, and played competitive soccer for over 12 years. She still enjoys the sport, but her favorite sports team is our local hockey team, The Ducks. On another note, if she has the radio controls, you're going to hear music by Justin Timberlake (his old stuff!) or Pepper and Rebelution.

End of the Month

Our theme this month is:

MARCH MADNESS

Brackets and bragging rights to come!!!

Blanket Drive

Marisa Behnke is collecting blankets for the homeless until March 1, 2019. New or gently used blankets can be dropped off in Heather Shepherd's office. Help someone stay warm this winter!

This is her 9th year on the escrow side of our business in her own words, here is a why Allyssa loves working with **Carmina Gomez and The Trikas Team:**

“Carmina, The Trikas Team and I work so well together and have built a great chemistry over the years. Carmina is very easy going, hardworking, fair and trusts me to do my job. Tony and his team have always supported me and work so hard to keep us busy and successful. They are all a great team to work with and be behind.”

Here is what she most likes about working at **Ticor Title:**

“The people here at Ticor, my co-workers. Not only is everyone here so knowledgeable, they have been so welcoming since day one. This job can be stressful sometimes and the people here make it fun to come to work every day.

Also, there are so many resources here. If I don't know the answer to something, there is always someone that can help me almost right away. It makes our job so much easier and helps keep our clients happy.”

From Ticor OC County Manager, Rick Bashore:

*“The first time I met Alyssa it was obvious she had a vibrant smile and an infectious personality. She continues to bring the same energy with her to work every day. No matter the occasion, she is always smiling and willing to assist. Allyssa demonstrates all the traits of our **TICOR TRUE** precepts and I am honored to make her the inaugural Ticor Employee of the Month under our new program of community.”*

Congratulations Allyssa, we look forward to working with you for many, many more years to come and thank you for all that you do!
