Welcome to Ticor: Steve Buccheri

We have welcomed a new Rep to our Sales Team, **Steve Buccheri**. We're thrilled to have him as a part of our Ticor Family - he brings 31 years of dedication and experience with him. Welcome to Ticor Steve!

Ticor Title Employee of the Month:

Alicia Casas

Alicia got her start in the business in 1998 ... and she's been enjoying the journey ever since, almost 21 years later! She joined us here at Ticor Title 2

years ago in January. Like many of us, she comes from parents who were both in the industry as well. Alicia's mom was in the legal department at a major title insurance competitor and her dad was in the printing department at the same company. One thing seems to ring true in her story - it just might run in the family!

Alicia had freshly graduated from high school and was in search of part time work. She had an 'in' (thanks to the recommendation of her parents) and was quickly hired into the word processing department of the title company. She met Johna Cannon in 2001 and was hired by her as a Title Assistant. She worked as a Title Assistant for several years until she was pregnant with her first son Gabriel and decided that the crazy hours were too much ... she went back to word processing and enjoyed the regular feel of the 8am to 5pm lifestyle while raising her young kids.

She grew up mostly in Westminster/Huntington Beach area, with a brief few years with her family in Norco. Her parents realized fairly quickly that their morning commute to work from that far away to Orange County was not sustainable, and moved the family back into the heart of OC.

Almost 15 years ago, Alicia met her husband. Her first born, Gabriel, is now 12 years old and their younger son, Joseph, is

December Quote of the Month

"May and October, the best-smelling months? I'll make a case for December: evergreen, frost, wood smoke, cinnamon."

- Lisa Kleypas

now 10. She has a step-daughter who is just on the verge of turning 21. They enjoy spending as much time as possible together as a family, especially on the weekends. Alicia and her husband are currently actively searching for their 'forever home' in the Westminster/North Huntington Beach area ... anyone have any leads?

When it comes to family, she places it high on her priority list! Her husband's parents are close-by to their home, so the kids get to spend a lot of quality time with them. Her parents, after deciding they'd 'retire' moved to San Antonio, Texas, and her brother shortly followed behind (FYI, they didn't retire.) Alicia was about to make the same out-of-state move, but that's just around the time she met her husband - she decided to stay in Southern California. Her parents still come home to California for the holidays, and they'll be here for Christmas.

On behalf of all of us, and Managers included, we want to say thank you to Alicia for your hard work, dedication and work ethic! You make a huge difference to us and every person matters.

Fun fact/side note: I interviewed Alicia for this article yesterday (Monday December 9th) ... she was AT WORK, here, on Sunday, yes Sunday, December 8th.

THANK YOU ALICIA!

Last, and certainly not least ... we want to say **THANK YOU** and acknowledge all of those Ticor Family members who donated their time and resources on Thanksgiving Day to offer a Thanksgiving meal for those families and people less fortunate this year at **Mary's Kitchen**. As many of you know, this is the **15th Year** that **Heather Shepherd** has been involved in organizing this generous event, and even through the rain, it was another great year. **Thank you to all who participated.**
